Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Saturday 10 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Scattered showers on Saturday, some warm sunshine too.

Today:
Low cloud and haar in east lifting and breaking then bright or sunny intervals. Scattered heavy showers breaking out inland by afternoon with the odd thunderstorm. Warm, with light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
Still a few heavy showers lingering into the evening but many areas dry and the night will be generally dry with clear intervals, though low cloud and haar in east. Minimum temperature 12 deg C (54 deg F).

Sunday:
A mainly dry start, some sunny intervals breaking through but also some heavy showers inland with the chance of thunder. Warm with light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Sunshine and scattered thundery showers on Monday and Tuesday, showers mainly inland and west. Haar will affect the east coast at times. Wednesday dry and warm with some sunshine.
